---

**Updates from Council Members**

**A. President**

**a. UPS Summer Package Updates**

Textbook sale and merchandise:

- Order form will be made available online but will not be included in the summer package
- Distribution of items is still unknown, is expected to be in person, and may be postponed to the winter semester

**B. Vice-President**

**C. Secretary-Treasurer**

**D. Faculty Representatives**

**a. Town hall:**

- Was held last week

**b. Speaker series:**

- Turnout to speaker series has continued to remain low
- Survey response to gauge interest in the speaker series was low
- Speaker series due to lack of interest is expected to be discontinued

**c. CPR :**

- Contacted Heart 2 heart, deadline to be recertified will be extended to December 31st 2020 (red cross wide)
- OEE will be contacted to see requirement of recertification of CPR for APPE rotations

**E. Monograph Representative**

**a. Anti-calendar:**

- Review of 32 third year courses have been completed
- 4 third year course reviews need to be completed: Dosage form and Design (fall elective), Pharmacotherapy in Critical Care (winter elective), Pharmacotherapy in Older Adults (winter elective), and Global Health (winter elective)

**b. Student Feature**

- To be done after the anti-calendar and Monograph pre-issue is completed
- Will focus on APPE experience, and experience of practice during COVID-19

**F. Residency Representative**

**a. Hospitals Residency:**

- Residency cycle 2021, timeline for applications will remain the same as last year (deadlines around October)
- Virtual open houses will be done near the deadline of residency applications (between September and October)

**b. Industry Residency:**

- There will be industry residency positions available for the 2021 cycle
- Open houses are unlikely, as there are usually no open houses available for industry residencies
- Summer application deadline around August
- Timeline for interviews and offers will be similar to last year, and hospital residencies

**G. Recruitment Representative**

**H. Graduation Representatives**

**a. Grad Committee Raffle:**

- Codes for Life touch from the draw have been obtained

**I. Webmaster**

**a. Class Council Website:**

- Class council website has been updated to include this year's class council and their roles
- Updates on APPEs are to be kept on the class council website
